NEC M403H

Order Code: 60003977

NEC Professional Desktop Projector

With 1080p resolution and 10000:1 contrast, the M403H delivers perfect image quality for very detailed content as well as high quality movies. With highly efficient and innovative ECO features, a sealed DLP light engine, long lamp life and low power consumption, this projector is virtually maintenance free and offers an impressively low cost of ownership without compromising on quality and flexibility. Innovative new ECO functions help to significantly reduce power consumption.

The excellent price performance ratio makes this projector especially suitable for classrooms and mid-sized meeting rooms.
