

“Relax before a presentation with this simple to use tripod.”

Tripod screens are a stand mounted screen, these screens are designed to pull-up and hang from an integral back rest. They are ideally suited for education and business presentations. These screens are easy to retract you simply un-hook the screen from the backrest and the spring mechanism pulls the fabric back inside the casing.

### Technical specifications

TRIPOD	SIZE (MM)	SIZE (FEET)	PACKAGE (MM)	ASPECT
